Subject: RE: CO #9 - Pinecrest Library Expansion - roof crickets

Dev,

Approved as revised to $13,750.00. Please proceed. No time extension, per your note below.

Janet Ruiz
Facilities Director, City of Pinecrest

Subject: RE: CO #9 - Pinecrest Library Expansion - roof crickets

Janet,

Following our walk on Tuesday we revised CO #9 (dated 9/28/2026). We dropped the second cricket at the north parapet, which brings the price down from $14,900.00 to $13,750.00. Scope is now: tapered insulation crickets at roof drains RD-1 through RD-4 plus new walkway pads at the RTU access path, to fix ponding the inspector flagged. We will do this within the current roofing window, so no time extension is requested.

Thanks,
Dev Malhotra
Project Manager, Alder & Stone Builders

Janet, attached is CO #9 for the tapered crickets at RD-1 to RD-4, the north parapet cricket, and walkway pads. Total $14,900.00. Reason: code/inspector requirement (ponding). Let me know if you want to walk it.
